Sheriff Kennerly went to Welaka Monday and arrested Oscar Moore, colored, on a charge of embezzlement. Judge Cox, who heard the case, fined Oscar \$1 and cost or six months in the county jail at hard labor. Oscar preferred the jail to giving up the money, because he was short of money and no one gave unto him.

Capt. Montcalm Broward, a brother of ex-Gov. N. B. Broward, was a visitor in Palatka Wednesday forenoon, having come in on the early morning train from Crescent City, where the night before he addressed a large assembly of citizens in the Auditorium in the interest of ex-Gov. Broward's candidacy for U. S. Senator. Captain Broward is captain of the Three Friends, and it is said of him that he is able to perform his arduous and often expending steamboat duties without use of profanity. A man who can run a steamboat without profanity, other things being equal, might secure a job as pilot on the ship of state. But the captain has never applied for such a job; all he wants just now is a place for his older brother, Napoleon, who has had some experience.

Ethel, the infant daughter of Mr. and Mrs. J. H. Yelverton, Jr., 9 months old, died on Tuesday after an illness of some two weeks. The funeral was held from the house on Wednesday forenoon, being conducted by Rev. H. Dutil. The interment was in West View cemetery. At the present time he is engaged in the service of Senator Taliaferro, and is working the rural section of St. Johns county, where his influence is said to be great.

Mr. Davis formerly resided in this county, where he was at one time an unsuccessful candidate for sheriff. Since his removal to St. Johns county a dozen or more years ago, his rise has been steady, so that he is now one of the best known men in the ancient city.

**Rodman Co. Gets Verdict.**

In the case of the Rodman Lumber Co. vs. The Jacksonville Machine Works, before Judge R. M. Call in the Jackson county circuit court, Tuesday, a consent verdict was reached, which appears to be entirely satisfactory to the plaintiff company.

The plaintiff company was represented by Hon. S. J. Hilburn of this city, who stated in a lengthy petition the facts that were sought to be proved, and at the conclusion of the reading of the paper the attorney, by previous agreement, wrote out the verdict in favor of the plaintiff, which was signed by the foreman of the jury. The verdict also allowed \$250 for the illegal detention of the property of the plaintiff.

Involved in the case in which the plaintiff sued for damages in the sum of \$1,000, is a fifteen-ton locomotive and tender, until recently held and operated by the Alachua Lumber Company.

**They Like Senator Hilburn.**

S. J. Hilburn, of Palatka, who was nominated a State Senator from Putnam county, will be one of the leaders in the Senate of 1911. Mr. Hilburn has the reputation of being a "clean" man, advocating that which he deems to be right without regard to whether the proposition is favored by Broward and his friends, or by Taliaferro and his friends. The News has always believed that in time men of independence will be selected as officers, and that a few years will see the factionalist relegated to the rear.—DeLand News.

Friends throughout Florida were pleased to see Hon. S. J. Hilburn win in his race for the state senate from Putnam county, and this is said without disparagement of the old war horse who was his opponent, Hon. John P. Wall.

Mr. Hilburn's ability makes it certain that he will be one of the leaders in the senate at the next session of the legislature. He would grace the presidency of the senate and it may be that he will be called to that position by his colleagues.—Stark Telegraph.

**Death of Mrs. W. H. Rowton.**

Mrs. Elizabeth Rowton, wife of W. H. Rowton of Jacksonville, died at her home in that city last Monday afternoon, May 30th, after an illness of some six weeks. The body was brought to this city on the Atlantic Coast Line.

Tuesday afternoon, and was met at the depot by members of the family and many old friends. From the depot the procession went immediately to West View cemetery, where brief funeral services were conducted by Rev. Dr. Wardlaw of the Presbyterian church.

The deceased lady was married to W. H. Rowton, youngest son of Judge C. J. Rowton of this city, in Olean, N. Y., some fourteen years ago. For a time the family lived here, but for nearly a dozen years have made their home in Jacksonville, where Mr. Rowton is engaged in business. She was a lady very highly esteemed and her death will bring sorrow into the hearts of many old friends, who will likewise sympathize with the bereaved husband. Mrs. Rowton leaves no children.

**Road Contract Let.**

The trustees for Putnam county bonds, on Tuesday of this week, awarded contracts for building hard surface roads from the East Palatka end of the St. Johns river bridge to the St. Johns county line, near Hastings, for the junction of this road to San Mateo, in all about ten miles. The successful bidder was D. M. Baker of Jacksonville, who secured the contracts at the rate of \$1,350 per mile.

**Library Association Notice.**

The quarterly meeting of Palatka Library Association will be held in the Reading Room Saturday, June 4th, at four o'clock p. m. Officers, members and friends of the Library are asked to be present.

Mrs. R. E. Adams, Secretary.

**School Board Meets Monday.**

The June meeting of the county school board will meet next Monday, instead of on Tuesday, its regular day, the reason being the customary vacation of the fact that the examination of teachers will also begin on Tuesday.

The white teachers will have their examination in the high school room and the colored teachers in the colored school. The white teachers will be examined by County Superintendent L. K. Tucker, and the colored teachers by Commissioner Laban Price, of Melrose. The examination will continue through four days.
